DOGGIE DAYCARE & PHOTO RELEASE

We are proud to provide our clients with the best care possible for their pets with our Puppy/Doggie DayCare Program. Although we do our very best to ensure that daycare is a safe and enjoyable experience for all, we want our clients to be aware that there is always the possibility that an injury could occur from rough play. Therefore, we limit the number of dogs and only allow play within the same size category.

All pets participating in DayCare are required to be on flea/tick prevention.

We typically take photos during play groups, and would like to use these pictures on Facebook. Below you may authorize Valley Ranch Pet Clinic to use and/or duplicate your pet's photo for use in print or electronic format for publicity purpose. These photos would be property of Valley Ranch Pet Clinic and can be used without compensation.

PLEASE BE AWARE THAT BY SIGNING THIS YOU UNDERSTAND AND AGREE THAT VALLEY RANCH PET CLINIC AND STAFF WILL NOT BE HELD RESPONSIBLE FINANCIALLY OR OTHERWISE FOR ANY INJURIES INCURRED DURING DAYCARE. BY SIGNING, YOU ACCEPT FINANCIAL RESPONSIBILITY FOR ANY INJURIES TO YOUR PET INCURRED DURING DAYCARE.
